

Only allow **Ingersoll Rand** trained technicians to perform maintenance on this product. For additional information contact **Ingersoll Rand** factory or nearest Distributor. For additional supporting documentation refer to **Parts, Installation and Maintenance Manual Form MHD56151**. Manuals can be downloaded from www.irtools.com.

The use of other than genuine **Ingersoll Rand** replacement parts may result in safety hazards, decreased performance and increased maintenance and may invalidate all warranties.

The original language of this document is English.

Refer all communications to the nearest **Ingersoll Rand** Office or Distributor.

KIT INSTRUCTIONS

Operational Adjustments

⚠ WARNING

- Prior to performing operational adjustments or servicing make sure air supply is off. Press down lever until wire rope is slack.

Removal of Old Style Pendant

Refer to Dwg. MHP2925 on page 3.

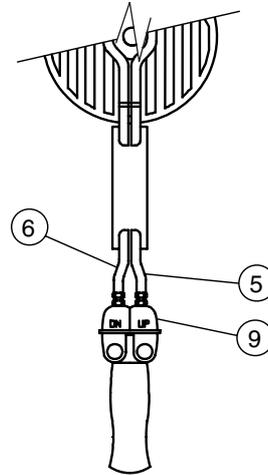

1. Lower suspended load to floor. Shut off air supply to balancer.
2. Press down lever until wire rope is slack and all air is exhausted from balancer.
3. Remove hoses (5) and (6) from pendant (9).

Installation New Style Pendant

The new pendant is intended as a replacement for the old style pendant part number 18600 and 18601.

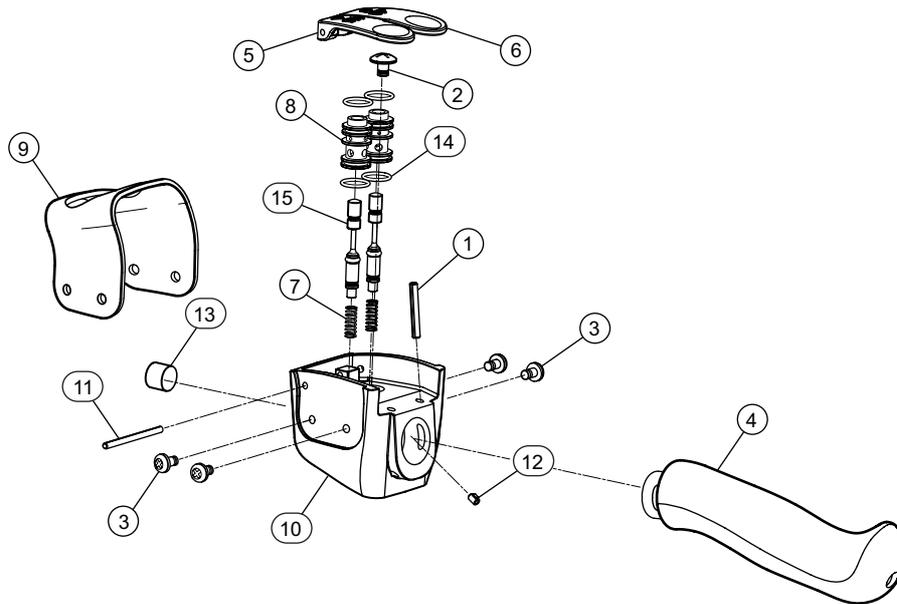

The pendant has three ports, up and down hose lines can be installed in two of the three ports similar to the old style pendant. One port is plugged to ensure balancer function will not be affected.

Refer to MHD56151 for correct hose connections.
