

46838 TRIGGER KIT ASS'Y.

When replacing the old style steel Trigger with the new style plastic Trigger, use the new style steel Guide Pin (39768) which is slotted on large end to receive a blade type screwdriver. It will be necessary to hold the steel Guide Pin from turning, using a blade type screwdriver, to prevent damaging the plastic Trigger while tightening the Locking Screw (39769) with a hex type wrench.

46838 TRIGGER KIT ASS'Y. INCLUDES:

PART NO.	DESCRIPTION	QUANTITY
39764	TRIGGER	(1)
39768	PIN, GUIDE	(1)
39769	SCREW, LOCKING	(1)
FORM 2320-2	INSTRUCTION SHEET	(1)
