POWER TOOL LIMITED WARRANTY

Ingersoll-Rand Company (I-R) warrants to the original user its power tools (Tools) to be free of defects in material and workmanship for a period of two years from the date of purchase. I-R will repair, without cost, any Tool found to be defective, including parts and labor charges, or at its option, will replace such Tools or refund the purchase price less a reasonable allowance for depreciation, in exchange for the Tool. Repairs or replacements are warranted for the remainder of the original warranty period.

If any Tool proves defective within its original two year warranty period, it should be returned to any Authorized Power Tool Service Distributor, transportation prepaid with proof of purchase or warranty card.

This warranty does not apply to Tools which I-R has determined to have been misused or abused, improperly maintained by the user, or where the malfunction or defect can be attributed to the use of non-genuine I-R repair parts.

I-R makes no other warranty, and **ALL IMPLIED WARRANTIES INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED TO THE DURATION OF THE EXPRESSED WARRANTY PERIOD AS SET FORTH ABOVE.** I-R's maximum liability is limited to the purchase price of the tool and in no event shall I-R be liable for any consequential, indirect incidental, or special damages of any nature arising from the sale or use of the tool, whether in contract, tort, or otherwise.

NOTE: Some states do not allow limitations on incidental or consequential damages or how long an implied warranty lasts so that the above limitations may not apply to you.

This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.
