

Ingersoll-Rand Limited Extended Warranty

Ingersoll-Rand (IR) warrants to the original user of its power tools (Tools) to be free of defects in material and workmanship for an extended period from the end of the original IR manufacturer's warranty. The extended warranty period of time and coverage is variable depending on Tool purchased and Warranty Kit/Plan purchased detailed by Ingersoll-Rand. IR will repair, without cost, any Tool or parts covered in the extended warranty found defective, including parts and labor charges, or at its option, will replace such Tools or refund the purchase price, less a reasonable allowance for depreciation, in exchange for the Tool. Repair or replacements are warranted for the remainder of the original extended warranty.

If any Tool proves defective within its original extended warranty period, it should be returned to any Certified Ingersoll-Rand Tool Service Center, transportation prepaid with proof of purchase of Tool and Extended Warranty or extended warranty card.

This extended warranty does not apply to Tools which IR has determined to have been misused or abused, improperly maintained by the user, or where the malfunction or defect can be attributed to the use of non-genuine IR repair parts or lubricants.

IR makes no other extended warranty, and ALL IMPLIED WARRANTIES INCLUDING ANY WARRANTY OF MECHANABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED TO THE DURATION OF THE EXPRESSED EXTENDED WARRANTY PERIOD AS SET FORTH ABOVE.

IR's maximum liability is limited to the purchase price of the Tool and in no event shall IR be liable for any consequential, indirect incidental or special damages of any nature arising from the sale or use of the Tool, whether in contract, tort or otherwise.

Note: Some states do not allow limitations on incidental or consequential damages or how long an implied warranty lasts so that the above limitations may not apply to you.

This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.

Attention: Read Carefully

Congratulations on the purchase of your extended warranty kit. Thank you for choosing Ingersoll-Rand.

In order to help ensure that this Ingersoll-Rand brand product is fully protected by our warranty, please ensure your Distributor has registered the extended warranty and provided you with a confirmation number.

Registration must be completed at time of purchase. If your Distributor has not provided you with a confirmation number, please complete the registration card and return the card immediately. This registration card must be filled out in its entirety at the time of purchase. Failure to comply could invalidate the extended warranty. Any correspondence regarding this product must include the model number and serial number.
